A black and white photograph of a large group of men, likely a soccer team, posing on a grassy field. They are arranged in several rows, with some kneeling in the front and others standing behind. Many are wearing dark soccer jerseys with a logo on the chest. In the center of the front row, a man is holding a large flag that features a crest. The background consists of several multi-story apartment buildings with many windows and balconies. The overall tone is professional and community-oriented.
